## Missing Piece

So you feel like you don't belong or really connect with anyone. I'm sure at one point or another, in our life, we all felt we didn't fit in or belong to anyone. Is it because we are trying so hard to blend in we lose ourselves in the crowd?

Basically its hard to fit in where you feel, as if, you don't belong. I think it's time to stop being so tough on ourselves and worrying about others.

Start focusing on finding you and pleasing you. Whether you know it or not, you're the master piece, the missing piece to the puzzle.

Inspired by the last piece everyone is looking for.

-Anonymous Halcyon member

## In Memory of Tama

Tama was a very thoughtful person and she helped anyone she could. Tama was a Christian and a member and employee of Halcyon Activity Center. She cared deeply for people. The Halcyon bunch will miss her very much.
